### **COVID-19**

Due to the latest update from the Government regarding Covid-19, we have decided temporarily to close our yard, office and our production with immediate effect. We apologise for the disruption this may cause. Throughout this outbreak we have made it our priority to keep our colleagues and customers as safe and healthy as possible, and have made adjustments to daily practices in order to follow government guidelines.

We will review government guidance as and when it becomes available so we can try and fulfil the essential services we provide to our customers within the new restrictions placed upon us.

Any outstanding orders that have been placed, we will endeavour to fulfil where and when we can. If no longer required we will deal with exchanges and refunds once the business reopens. All quotes, specials and sheds will be put on hold until we reopen. Unfortunately at this time we are unsure as to how long this will be.

We would like to thank you for your custom and patience with us during this difficult period. Please carry on following the government advice.

Thank you for your continued support and custom

Stay safe

Best wishes
